**Finance Report**

Greg Thomas reports:
- Due to parent fees (roughly $190,00/month) and provider incentives there is no longer a surplus of $600,000
- May need to allocate additional funds from the state which shouldn’t be a problem
- May be able to extend budget
- 401K 3% per staff across the board equals about $45,000 which was part of original budget
- Audit deadline has been extended until September 30, 990 deadline has also been extended

Anti-Fraud Plan

The Early Learning Coalition of Brevard (ELC) has adopted an anti-fraud plan with that emphasis on the attempt to recover State, Federal and Local Matching Funds which were paid as an intentional act of deception, omission or misrepresentation in accordance with Florida Statutes 1002.91 and Rule 6M-9.400. The adopted anti-fraud plan has a three tiered offense approach (Chart I):

- Submitting fraudulent information during initial application
- Graduated phase out non-intentional acts
- Intentional acts of fraud

All ELC employees are responsible in reporting suspected fraud by any person, provider or coalition member (staff, volunteer, board member etc.) (Exhibit I). The Primary Anti-Fraud Contact is Dennise Milan, Director or Program Initiatives, 321-637-1800 x 2509 per Rule 6M-9.400 (3) (a). When ELC employees become aware of instances of actual, potential or suspected fraud and abuse by a recipient of School Readiness (SR) or Voluntary Prekindergarten (VPK) Education Program benefits, they are mandated to investigate the act in accordance with the Suspected Fraud Programs procedure (Exhibit II). In addition, repayment agreements, if necessary, will be made in accordance with the Suspected Fraud and Repayment Agreement Reporting procedure and Improper Payments policy (Exhibit III & Exhibit IV). Furthermore, staff follow procedures to ensure verification of child care referrals from other organizations and services must be provided and not terminated under a valid referral regardless of prior or suspected fraudulent activities.

The ELC does not have a fraud hotline; however public assistance fraud flyers are posted in meeting spaces, anonymous telephone calls are accepted and researched.

Designated ELC employees are trained at a minimum annually in client fraud prevention practices to recognize “red flags” such as questionable documentation, inconsistent paperwork or statements, quality interviewing, and how to detect possible fraudulent acts as related to FS 1002.91 (8)(b)(d). The Coalition uses the following tools and resources in detecting, preventing fraud, abuse and overpayment:

- Data quality reports generated from the Office of Early Learning
- Referral verification from partnering organizations (Exhibit VI)
- Office of Early Learning Fraud Overview
- Locally developed flyers posted throughout the organization
- Developing and supporting relationships with partners and other local organizations (DCF, CareerSource, Brevard Cares, Clerk of Courts, etc.)
- Internal File reviews
- Post Attendance Monitoring and Payment Validation Reviews.

Furthermore, the Coalition completes an annual self-assessment using OEL’s Internal Control
Questionnaire. Policies and procedures are also reviewed on an annual basis to ensure compliance with statute, rule and other guidance.

The following list represents “red flag” items but is not inclusive to other fraudulent acts or identifiers:

- Numerous documentation errors
- Conflicting information and documents
- Missing information on documents
- Pay stubs with markups or white out
- Employers paystubs that are commonly produced and appear different or altered
- Only photo copies available with no originals
- Inconsistency in submitted documents from each interview
- False employment verification or fictitious employers
- Misrepresentation of household size or income
- Illegible, forged, inconsistent, or varying signatures
- Inconsistent statements and vague responses
- Denying access to information
- Attendance irregularities and/or inconsistent attendance information
- Giving false statements
- Producing false documents

If a recipient of SR or VPK benefits is found to be in violation of program guidelines they are informed of their termination of benefits via a Notice to Discontinue Services Form completed by the ELC Staff (Exhibit VII). On the reverse side of that form is the Right to Appeal which includes a statement of with includes instructions of how the recipient may obtain a copy of their file for review. The form will be translated into the recipient’s native language if prior Coalition communications were translated. A copy of the Confidential Information Record Request Form and corresponding External Records Requests is provided to the recipient (Exhibit VIII & Exhibit IX).

If the recipient or applicant is able to provide necessary documentation to resolve the issue within the designated time period, services will be reinstated. If unable to provide the necessary documentation to overturn decision, the applicant will need to reapply to the waitlist.

If the recipient is unable to resolve the issue through the preliminary appeal process and believes the conclusion of fraud was made in error, then he or she may file a formal written appeal for review by the executive director (ED) or the Coalition board of directors designated executive staff person (ESP).

A summary of the formal written appeal process is listed below:

**Written Appeals Summary** (Exhibit XI)

1. A written appeal must be submitted to the ED or ESP. The appeal must fully describe the nature of the error the recipient believes has been made with supporting documentation.
2. The appeal shall be postmarked, faxed, emailed or hand delivered before the date of the discontinuation/suspension of services. Failure to file a timely appeal waives the right of appeal.

3. If a timely appeal is filed, the recipient will not be suspended or terminated from the program until the written decision of the ED or ESP or the original date of the discontinuation/suspension of services, whichever is later.

4. The ED or ESP must respond to the recipient in writing within thirty (30) days of receiving the appeal with a decision as to whether the suspension or termination will be upheld or modified.

5. The recipient who wishes to appeal the decision of the ED or ESP may request further review by an appeals committee in accordance with subsection (e) of 6M-9.400. The request must be submitted to the Coalition in writing within ten (10) calendar days of the date of the ED/ESP written response.

6. Steps for review by the appeals committee are listed below:
   a. The recipient is given the opportunity to present their position during a scheduled appeals committee meeting. The recipient will be notified of the scheduled date and informed this is a public meeting and any information presented may be used by other state agencies.
   b. The appeals committee is selected by the Chairman of the Board and a chair named.
   c. The appeals committee will meet within forty-five (45) calendar days of receipt of the recipient’s appeal.
   d. The recipient has up to thirty (30) minutes to present their appeal and any information they wish the committee to consider.
   e. Coalition staff excluding the ED or ESP (whichever made the initial decision) shall be available to provide any information requested by the committee.
   f. The appeals committee will consider all statements, review all documents and may request additional evidence or information if necessary, to make a decision. The final determination letter will be suspended for the length of time given to provide the additional information.
      a. The appeals committee shall select or appoint a member of the coalition, excluding the ED or ES (whichever made the initial decision) to memorialize the events of the appeals committee proceeding and the final determination including the basis for the decision.
      b. The appellant shall be notified in writing of the appeals committee’s determination within ten (10) days of the date of the meeting.
      c. The appeals committee determination shall be final.
      d. The due process procedures for providers will be provided for in the contract between the coalition and the provider, pursuant to Rule 6M-4.610, F.A.C.

- Temporary modification of terms from Agreement Exhibit III, Audit Requirements, Section 3.1, Special Audit Testing Requirements as follows.

  3. Special Audit Testing Requirements

  3.1. It is essential the audit firm test the Coalition's monthly reconciliation of its financial records to the SSIS. As an alternative, and upon written authorization issuance of written instructions from OEL, the auditors may test acceptable equivalent alternative supporting documentation files of the ELC, if temporary transitioning SSIS system functionality issues occur. To report on the audit tests performed, the auditor must include a statement in the Schedule of Findings and Questioned Costs confirming the following: (a) that the Coalition staff performs this reconciliation monthly; (b) that the Coalition has processes in place to identify and correct errors noted during the monthly reconciliation process; and (c) the Coalition's financial records and the SSIS records (or acceptable equivalent documentation files tested/audited upon issuance of written authorization instructions from OEL) were reconciled and in agreement as of the annual program year end (June 30th). Finally, a statement must be included to indicate the auditor's work papers include documentation to verify tests of these tasks were performed and such work papers are available for review by OEL staff upon request.

Except as expressly provided herein, all other terms and conditions not affected by this Addendum shall remain in full force and effect. If there is conflict between this Addendum and the grant agreement, the terms of this Addendum shall control.

IN WITNESS WHEREOF, by signature below, both Parties agree to abide by the terms, conditions, and provisions of the original Agreement document and this Addendum that is hereby effective on the date the last party signs this Addendum.

Addendum #1 to 2019-20 Grant Agreement between Office of Early Learning and Early Learning Coalitions

Information for Early Learning Coalition Board Briefing

**Action Requested:** Authorize the Executive Director to execute an addendum to the 2019-20 Grant Agreement to address the 2018-19 reconciliation of School Readiness provider payments and attendance during the implementation of the modification to the Single Statewide Information System’s Coalitions Service Portal (referred to as EFS Mod).

**Background:** The Office of Early Learning is working with each coalition to complete its reconciliation of 2018-19 payments to School Readiness (SR) providers. Multiple steps are required to finalize the data in EFS Mod and correct both under- and overpayments to some SR providers. The Addendum to the 2019-20 Grant Agreement lists the required steps and documents a date certain by which the EFS mod data will be corrected.

The addendum creates new timelines and activities that will allow coalitions and OEL to complete and document tasks necessary to finalize reconciliation. These activities include data correction, which is contingent upon the successful deployment by OEL of the “data fixes” necessary for attendance and payment reconciliation for 2018-19.

OEL staff has provided guidance on these activities and will be available to assist in completing the tasks that will lead to a completion of all 2018-19 reconciliation tasks.
Addendum #2 to 2019-20 Grant Agreement between Office of Early Learning (OEL) and Early Learning Coalitions

Information for Early Learning Coalition Board Briefing

Action Requested: Authorize the Executive Director to execute an addendum to the 2019-20 Grant Agreement to include OEL’s modified special testing instructions to the Early Learning Coalition’s (ELC) independent federal/state Single Audit firm during the implementation of the modification to the Single Statewide Information System’s Coalitions Service Portal (referred to as EFS Mod).

Background: The absence of EFS Mod system functionality for FY2018-19 prevented Early Learning Coalitions (ELCs) from complying with monthly reconciliation requirements as instructed in OEL’s grant agreements. As a result, FY2018-19 federal/state Single Audits for most ELCs included audit findings for reconciliation deficiencies of School Readiness (SR) provider payments and attendance records.

For FY2019-20, the Office of Early Learning (OEL) is working to improve and sustain EFS Mod stability and data accuracy for SR provider payments. However, OEL management determined modified grant agreement language should be prepared to help minimize future ELC audit findings for system-wide EFS Mod-related issues considered to be state agency-level errors beyond the control of the ELCs. This Addendum to the 2019-20 Grant Agreement provides the modified grant agreement language needed.

The addendum documents OEL’s ability to issue supplemental written special testing instructions (if needed) to all ELC independent federal/state Single Audit firms for audit procedures performed on each Coalition’s monthly reconciliation of financial records to EFS Mod. OEL’s supplemental instructions will allow independent auditors to accept alternative/equivalent ELC support files – separate from the EFS Mod system – to adequately document an ELC’s monthly reconciliation processes. OEL can authorize the use of alternative ELC documentation if FY2019-20 EFS Mod-related system functionality errors occur.

OEL staff is available to assist ELC fiscal staff and contracted federal/state Single Auditors with questions on how to implement these additional special testing instructions, if authorized by OEL.

**2018 – 2019 School Readiness Reconciliation**

As of June 2020, EFS Mod Data Fix Phase 2 has been completed. This resulted in significant adjustments made to attendance records for the 18-19 year, and has had the result of reducing the 18-19 unreconciled balance of ELC Brevard by 33% - roughly $200,000. While this is great news, staff is currently undertaking the task of reviewing each provider’s record for 18-19 to determine exact difference amounts between estimated payments and what payments should have been processed. This should be completed soon, with the hope to complete a detailed breakdown of payment discrepancies by the end of July.

**2019 – 2020 End of Year Projection**

As of June 2020, additional allocations have been provided to all coalitions as of 6/1/20 and 6/13/20 with more allocations expected in late June. With these funds being allocated to Coalitions with only a few weeks left in the fiscal year, there is a possibility of returning funds to the state if the full allocation is not spent. As of May, VPK expenditures are at 98.49% of total allocation. SR expenditures are at 87.89% of total allocation through 91.67% of the fiscal year with parent fees for the month of June and provider registration fees still to be invoiced. Additional allocations will be included into final numbers upon release of those respective NOAs.

**2020 – 2021 Notice of Award/Budget**

ELC Brevard has yet to receive a notice of award for 2020-2021 fiscal year due to the State budget awaiting signature. A provisional budget has been prepared based on current year notice of award and expenditures for board approval, but will need to be modified upon receipt of actual allocation funding details and updated Notice of Award from OEL.

**2019 – 2020 Audit/990/Management Letter**

As of June 2020, the Coalition’s Federal Single Audit is wrapping up. In mid-June, the audit firm requested additional documentation regarding child eligibility and fraud case files, which have been provided. The audit firm hopes to wrap up sample review activity by June 30. The extension of the Coalition’s audit filing deadline runs through September 30, so there is ample time to complete.
