| Nominating Committee Special Election | The Board was presented with a ballot listing the candidates name and each position.  
  a. Khaled Jarrah – Vice President  
  b. Caitlin Rice – Treasurer  
  c. Terri Barlow – Secretary  
  Heather Quidort questions why Beth Mills name is not on the ballot for secretary. The nominating committee replied they were led to believe because she did not either verbally or in writing express interest in retaining the position she could be removed. Upon review, Beth Mills tenure as secretary is not up until October and she can remain in the position until then. Heather Quidort begins to make a motion but the motion dies. | Henry Perez makes a motion to invalidate or remove Terri Barlow from the ballot. Heather Quidort seconds the motion. The motion passes unanimously and Beth Mills remains secretary |

| Executive Directors Report | • Realigning and staff updates – IT Specialist hired started 2/10. Posting for two Finance Specialist positions and Family Services Specialists. Provider Services Administrator position and interviewing potential HR Director candidate week of February 17th.  
• An RFP for IT managed services and an RFP for cleaning services are in the process of being created. Due to the financial threshold of the bid amounts we will proceed with a RFP committee comprised of staff and two Board members to review, select and recommend to the Board.  
• There was a question about calling roll at meetings. By-laws do not require we have to call roll. Asked three other coalitions and their practice is to NOT call roll and use the sign in sheet.  
• Melbourne office is 98% operational. The installation of the phone system for the entire agency has some outstanding issues due to hardware/wiring miscalculations.  
• Legislative Update for Tallahassee, met with Rep. Fine, Tyler Sirios aide and Coach P is interested in talking to us. Attended the House Bill (HB 1013) VPK Pre-K Committee meeting with all the AELC Executive Directors in attendance with Representative Grall.

GrayRobinson post report recommendations.
- 2018-2019 VPK Provider Readiness Rates
  VPK works! 63% of VPK Completer Students are ready for kindergarten, compared to 47% of VPK Non-Completer Students and 39% of Non-VPK Students. 67% or 4,436 of the 2018-19 VPK programs/providers met and/or exceeded the minimum readiness rate of 60. 33% or 2,175 of the 6,611 VPK programs did not meet the minimum readiness rate of 60. These programs will be placed on probation and required to acknowledge their status and implement corrective actions as part of an improvement plan.
- Board Development – Patrick Culhane, Suntrust and Guy Klenke, Investor have expressed interest in serving on the Board. They both fulfill the private sector requirement per By-Law requirement.
